

Boating at the Long Bay House

Having some of the clearest, prettiest water you will ever see makes boating a real joy. Even a novice is comfortable in a very short period of time because of the ease of reading the waters off Long Bay House on Green Turtle Cay. A variety of boats are available or you can bring your own, as many of our guests do.

If you bring your own boat, there are a number of nearby marinas:

Leeward Yacht Club 242-577-4111 or www.leewardyachtclub.com

-

Other Shore Club 242-365-4226 or www.othershoreclub.com

-

Black Sound Marina 242-365-4531

If you want to rent a boat, you can contact:

It's all easy and safe with just a little knowledge and common sense. We do have captains and guides available to take you boating or fishing, if you feel the need. The reefs are close and easily seen and negotiated, making it a great place for just going fast and enjoying the sun or bobbing around and doing nothing.

We have it all at the Long Bay House on Green Turtle Cay.
